

A global brand platform in motorsport

With Romain Leroux Racing x Uno Racing GT3 China GT Championship 2026

Final 3 Rounds · Headlined by Wang Yibo · China & Malaysia

Brand visibility on a **GT3 driven by Wang Yibo** — one of Asia's biggest stars and a genuine racer — paired with premium co-branded content, global reach, and the calibre of association that comes with a national-headline name in motorsport.

In few lines

We put your brand inside the most-watched storyline in Chinese motorsport — on a **GT3 car driven by superstar Wang Yibo**, run by Uno Racing — and amplify it across his audience and the championship's reach. **Three rounds. Two countries. One global name.** Not a logo lost in the field: a deliberate association engineered for business outcome.

Why this platform works

Star power

A name with 40M+ followers and one of China's most engaged fanbases — on your livery, in every race-weekend story.

Global reach

Visibility across two countries and a championship that closes in Malaysia — amplified to a worldwide fan diaspora.

Cultural relevance

Align with a figure who sells out magazine covers and trends nationally — in a premium, high-performance setting.

Performance credibility

Not a celebrity cameo: real GT3 Pro-Am podiums and a class win with Uno Racing in the 2026 season.

Backed by Romain Leroux Racing — Spa 24H Silver Cup winner 2025 — and trusted by international partners including Advan!De and Trasna.
