

A high-performance business development platform

With Romain Leroux Racing × **Ferrari 296 GT3**
European Le Mans Series 2026

Private access to Europe's most selective motorsport environments for client hosting, executive relationships and business development engagement

In few lines

We believe the best business relationships are built outside of traditional settings. We use a Ferrari GT3 racing programme in the European Le Mans Series as a platform to create high-quality moments between you and the people who matter most to your business. Six race weekends across Europe. We don't just create it for the experience, we tailor it for business outcome.

HOW YOU WOULD USE THIS PLATFORM

Who you invite

Your most strategic accounts, key partners, and high-value prospects, the relationships that matter most to your business growth

What happens at the race

A day of private hospitality in the Ferrari garage. Structured time with your guests in a distraction-free environment where real commercial conversations happen naturally.

The image that creates

Your clients and partners see your company alongside Ferrari and the European Le Mans Series, reinforcing a narrative of ambition, precision, and a different calibre

What you walk away with:

Stronger relationships with key accounts, premium content assets to support your communications, and a flagship moment that positions your company at the highest level.

Already proven: 100+ executive guests hosted across race weekends at Spa, Nürburgring, and Monza with partners including AdvaniDe, Trasna and others.
